

REAL AGRADO

A selection of grapes coming from several of our vineyards: La Lobera, Canterabuey and Los Señores.

The Wine:

Vintage: 2023

Grape Varieties: Garnacha (85%) and Tempranillo (15%).

Winemaking: Both grapes are fermented separately in stainless steel tanks. Garnacha was destemmed while the tempranillo follows the carbonic maceration method. The final blend is made by our winemaker. Unoaked.

Tasting notes: Bright purple red colour, with intense aromas of violets, blueberries and strawberries. Yummy and fresh in the palate where again the fruity notes are vibrantly present.
